

Cosmetology

A.A.S. Award 70 Credit hours A55140 Program code 5 Semesters

Learn the art and science of cosmetology in a simulated salon where you build real client-ready skills. You'll develop hands-on fundamentals in hair design, cutting and chemical services, color, skin and nail care, and multicultural techniques—plus the product knowledge, professionalism, and business basics that prepare you for the State Board of Cosmetic Arts exam and a career behind the chair.
