

Horticulture Technology

A.A.S. Award 67 Credit hours A15240 Program code 5 Semesters

Grow a career working with plants, landscapes, and the green industry. Through classroom study and hands-on lab work you'll learn plant science and identification, propagation, soils and fertilizers, pest management, landscape design and management, and the business side of running horticultural enterprises—preparing for certifications including the NC Certified Plant Professional and ISA Certified Arborist exams.

PLAN OF STUDY

Term I			16 credits		
HOR 161	Plant Materials II		3.0		
HOR 150	Introduction to Horticulture		2.0		
TRF 110	Introduction Turfgrass Cultivation and Identification		4.0		
ENG 111	Writing and Inquiry		3.0		
MAT 143	Mathematics (select one)		3.0		
ACA 122	College Transfer Success		1.0		
Term III			4 credits		
WBL 111	Work-Based Learning I		1.0		
BEH/SOC	Behavioral/Social Science Elective		3.0		
Term V			15 credits
