

Associate in Applied Science

Physical Therapist Assistant (A45640)

Overview

The Physical Therapist Assistant curriculum prepares graduates for direct patient care settings under physical therapists' supervision. Assistants work to enhance or restore function by addressing physical impairment. Coursework encompasses normal human anatomy and physiology, the consequences of disease or injury, and physical therapy treatment of various patient conditions affecting humans throughout their lifespan.

Employment Outlook

Upon graduation, students may take the PTA National Physical Therapy Exam (NPTE) for licensure. Employment opportunities exist in general hospitals, rehabilitation centers, outpatient orthopedic clinics, school systems, geriatric health care facilities, and home health agencies.

Plan of Study

CREDITS

Term I

ENG 111 Writing and Inquiry	3
Introduction to Communication or Public Speaking (COM 110 or COM 231)	3
MAT 110 Mathematical Measurement and Literacy	3
BIO 168 Anatomy and Physiology I	4
PSY 150 General Psychology	3
ACA 122 College Transfer Success	1
Term Credits	17

Term II

Humanities/Fine Arts elective	3
Survey of Medical Terminology or Medical Terminology I (MED 120 or MED 121)	2
BIO 169 Anatomy and Physiology II	4
PTA 110 Introduction to Physical Therapy	3
PTA 125 Gross & Functional Anatomy	5
Term Credits	17

Term III

PTA 135 Pathology	4
PTA 145 Therapeutic Procedures	4
PTA 215 Therapeutic Exercise	3
PTA 222 Professional Interactions	2
Term Credits	13

Term IV

PTA 225 Introduction to Rehabilitation	4
PTA 235AB Neurological Rehab	3
PTA 165 PTA Clinical I	3
PTA 185 PTA Clinical II	3
Term Credits	13

Term V

PTA 212 Health Care/Resources	2
PTA 235BB Neurological Rehab	2
PTA 245 PTA Clinical III	4
PTA 255 PTA Clinical IV	4
PTA 270 PTA Topics	1
Term Credits	13

Total Credit Hours

73
