

Diploma

Practical Nursing (D45660)**Overview**

The Practical Nursing curriculum is a one-year (three semesters) diploma program that provides knowledge, skills, and strategies to integrate safety and quality into nursing care, and practice in a dynamic environment. The curriculum emphasizes the practical nurse role as a dependent role under the supervision of the registered nurse (RN), as a member of the interdisciplinary team, providing safe, individualized care while employing evidence-based practice, quality improvement, and informatics.

Employment Outlook

Graduates may apply for the National Council Licensure Examination (NCLEX-PN) and pursue employment within acute, chronic, extended, industrial, and community healthcare facilities.

Plan of Study
